Professional educator, graduated in Pedagogy at Unvisersità degli Studi di Perugia; currently graduating in psychology at Università di Padova. From 2006 to 2011 she worked as professional educator in a residential community for minors tutored by public authorities. Since 2006, within the non-profit association of which she is the founder, she performs the roles of trainer and designer of educational programmes targeted at children and adolescents suffering from various cognitive disturbances. She works for the cooperative Borgorete with the role of scientific/pedagogic coordinator of all the LLP funded projects in which the cooperative is involved. She is now pedagogical coordinator of the LLP2011 Grundtvig Multilateral Project "EDUCO", focused on training Sport Coaches as skilled "educators".
