Denise Stanley is an academic, educator and facilitator. She has worked as consultant and project facilitator in national and international contexts for organisations in the private, public and voluntary sectors. She has also carried out extensive commercial and public research and engaged in strategy development in the creative and cultural industries, particularly in the non-formal training and learning sectors. She has worked with Collage Arts for 23 years as their strategic and educational consultant and as an organisational mentor.

Denise has significant facilitation, communication and interpretive skills that enable her to forge links across communities and bridge various institutional cultures and discourses including the professional, the academic, the civic and the community in order to build a common vision and mobilise commitment to achieve it.

Denise has a 1st class honours degree in Music, a Master of Business Administration (MBA) , and a PhD in Ethnomusicology and 30 years experience in creative and cultural industries education .
