Smaragda S. Papadopoulou holds a BA degree in Greek Language & Literature studies from the National and Kapodistrian University of Athens and a MSc. in Teaching Technology and Digital Systems from the University of Piraeus. So far she has worked as a language editor and proofreader of study guides for primary and secondary education students. She has also participated as an instructional material designer in e-learning projects concerning adult training in Information Communication Technologies (ICT). At present she works as an e-learning consultant at the Research Centre for English Language (RCEL) of the National and Kapodistrian University of Athens in Greece. Her research interests lie primarily in the field of technology-enhanced learning.
