Dr. Päivikki Jääskelä (PhD in Education) works as a post-doctoral researcher at the Department of Teacher Education, University of Jyväskylä, Finland. Her research interests focus on student-centred pedagogy and interactive learning environments in higher education.

Jääskelä has earlier worked as a researcher in an ESF project on developing guidance and working life skills in higher education in Finland. She has also several years of experience as a university teacher for educational subjects in the Open University of Jyväskylä. During these years she developed tutoring practices and ICT supported pedagogy in the open university studies in Finland.
