Jordina Sánchez Amat graduated in Biology in 2005 and in Social and Cultural Anthropology in 2008 from the Universitat de Barcelona. Since then, she has been interested in the world of sign languages, deafness, and education.

She has a Master's degree in Intervention and Research in Language Pathologies from the Universitat Autònoma de Barcelona (UAB). The Master's final report was entitled "Uses of the written language at the bilingual schools with deaf signer students".

Currently, she holds a PhD fellowship at the Department of Systematics and Social Pedagogy of the UAB.
