Chi-hung Leung is an assistant professor at the Department of Special Education and Counselling, The Hong Kong Institute of Education.

He received his PhD in Psychology at the Department of Psychology, The University of Melbourne in 2003. He has been granted Full Membership of The Australian Psychological Society in 1998, Member of the APS College of Educational and Developmental Psychologist in 2004, and Chartered Psychologist (with practising certificate) at The British Psychological Society in 2003.

His research interests focus on Play and Social Competency, Learning Effectiveness and e-Portfolio, Parenting, and Inclusive Education. He is currently working on two projects, the Teaching Development Project granted by The HKIED about the "Developing and Evaluating of e-Portfolio for the Final Year Project (FYP)" and the Quality Education Project funded by the Quality Education Fund entitled "Enhancing children's social competency using child-centred play".

He has published several papers in the areas of learning effectiveness, play, bullying, and inclusive education in international refereed journals.
