Kamla Suleiman AlAamri, Senior language Instructor at the Language Centre: Sultan Qaboos University. I teach English to the Foundation Programme students.

I have interest in research related to language teaching and learning. I am interested in the field of using technology and smart devices in the teaching and learning process. I have written some papers on that and presented them in Australia, Western Australia University and in France, Aix-en- Provence at La Baume.

Recently I am a member at the Language Centre Research Committee in Sultan Qaboos University.
