Johanna Mykkänen is a PhD, University Teacher at the Open University in Jyväskylä, Finland.

She graduated in Education in 1999, and did her PhD about “Becoming a father – types of narrative, emotions and agency” at the University of Jyväskylä, Finland 2010. Since then she has been working in the field of Early Childhood Education, Family Sciences and Education in University and Open University of Jyväskylä.

The Open University of Jyväskylä is one of the leading organization in adult education in Finland. Mykkänen has been interested in pedagogy and it's different solutions and experiments, which she has build up and developed with her colleges.
