Sanna Uotinen is a Special Education University Teacher at the Open University of Jyväskylä, Finland.

She graduated in special education from the University of Jyväskylä in 1996 and made her PhD in 2008. Since then she has been working at the Open University of Jyväskylä.

The Open University of Jyväskylä is specialized in lifelong learning and adult education. Multiple blended learning options have been developed there. Uotinen and her colleagues have been interested in developing distance learning possibilities in higher education.
