Jan Gejel is Senior European Project Manager at the Aarhus Social and Healthcare College in Denmark and a coordinator of several Lifelong Learning projects, financed by the European Commission.

Jan Gejel holds a University degree in Media and Language and is a certified Multimedia Project Manager.

He has been teaching literature, media and psychoanalysis at the University of Aarhus for many years.

The last 12 years he has developed innovative media based learning didactics in numerous local, national and European projects.

Jan Gejel has developed and coordinated several European projects within the Lifelong Learning Program, and is deeply engaged in lifelong learning communities in several EU countries.

He is an external evaluator for the Danish National Agency and the EACEA.

Lately Jan Gejel is involved in European and global initiatives on learning cities, both in Europe and beyond.

A selection of contributions from Jan Gejel can be studied at
